

Mining Cleantech Challenge
A Product Innovation Showcase

Instructions and Expectations

- In order to be considered, completion of all application fields is required. You will find the application here:
https://docs.google.com/forms/d/e/1FAIpQLSd_zvXhDh6qH-7OduRa0-_Hm-zqCF2nbdHMp8yOBmd8rJnNwA/viewform
- Deadline for application submission: **5:00 p.m. MDT, Monday, June 26, 2020**
- The review and selection committee is composed of representatives from Jolimont Global Mining Systems, Resource Capital Funds, Newmont Mining, BHP, Fresnillo, Ausenco, Rocky Mountain Institute, Consulate General of Canada - Denver, and Clareo Partners.
- The expectation of the selection committee is that new strategic development partnerships, pilots/trials, commercial contracts and/or potential investment targets will be identified through this process.
- Companies more than \$20 million in revenue will not be considered for this program.
- Please be prepared to attend the full day program on Thursday, July 23, 2020 online.
- The top 10-12 companies will be notified by Monday, July 6, 2020 of invitation to the Thursday, July 23, 2020 showcase event online. This gives you two and a half weeks to create and submit a video.
- Selected companies will have until 5:00pm on Wednesday, July 8, 2020 to confirm their attendance to Mary Austin at mary@coloradocleantech.com.
- There is no fee to apply to the Mining Cleantech Challenge. **Due to the impact of COVID-19 and the program being moved to a virtual event, CCIA has waived the \$750 presentation fee.**
- Your pitch presentation will be a combination of a pre-recorded five-minute video of your presentation followed by ten minutes of live Q&A.
- You will be notified in advance of the order in which your company will present.

Please contact Mary Austin with any questions.
